

UNIVERSITY OF NEW MEXICO

March 4, 1957

To: Faculty and Administrative Officers

From: Policy Committee of the Faculty

Subject: Revision of the Promotional Policy of 1948

The Policy Committee herewith submits to the Faculty a revised statement of Appointment and Promotional Policy for the University of New Mexico. It is the intent of your Policy Committee to present this revision to the Faculty at its regular March meeting for adoption. The intent of your Committee is that this statement will replace the so called "Yellow Book," now out of print, which contains the present promotional policy of the University and which was adopted by the Faculty in April, 1948.

It is hoped that each member of the Faculty will carefully study this revision and, if you have a "Yellow Book," compare it with the present policy prior to the March faculty meeting. You will note marginal page numbers and, in some instances, section designations appearing on the enclosed statement. These refer to pages and sections in the "Yellow Book."
