Dr. José A. Balseiro  
c/o Commonwealth Department of State  
Box 3271  
San Juan, Puerto Rico

Dear Dr. Balseiro:

Professor Marshall R. Nason has asked me to send you material which might be pertinent to your interest in the organization of a State University. Since we have just undergone a rather complete reorganization with direct participation in formulation of University policy via a Faculty Senate, I am sending you the enclosed copy of the Constitution and By Laws. If you find it of interest and have any further questions, I would be most happy to try and answer them.

Sincerely yours,

A handwritten signature in blue ink that reads "Stowell C. Goding".
