

August 26, 1957

Mr. John Durrie  
Secretary  
The University of New Mexico  
Albuquerque, New Mexico

Dear John:

I find that some of my colleagues here in Puerto Rico are very much interested in the organization of the typical North American State University. I should like to ask that you send, by air mail, to the address which I shall indicate all available material concerning faculty, administrative, and student organization at the University of New Mexico. I am sure they would be particularly interested in the organization and conduct of business of the voting faculty and of the various university-wide committees charged with formulation of policy. Since they are urgently desired, I should like to underline that they be sent by air mail to:

Dr. José A. Balseiro  
c/o Commonwealth Department of State  
Box 3271  
San Juan, Puerto Rico

Very cordially,

MARSHALL R. NASON

MRN/pv
