Dear Allan:

I have been discussing with some of my colleagues here in San Juan a variety of matters pertaining to the ideal organization of the North American State University. During the course of the discussion we speculated about the possibility that AAUP might have formulated some statement as to what it considers the optimum structure for such institutions. If you know of any such material, would you please, by air mail, request that AAUP headquarters send it by air mail to:

Dr. José A. Balseiro

San Juan, Puerto Rico

If you are a good boy I will bring you a mango from San Juan.

Very cordially,

MARSHALL R. NASON
