Dr. José A. Balseiro
a/c Departamento de Estado
Apartado 3271
San Juan, Puerto Rico

Dear Dr. Balseiro:

Professor de Chasca is on vacation, but I have contacted him by phone in regard to Professor Marshall Nason's letter of August 26 and he has asked me to send you the materials you desire. He says he hopes they will supply the requested information. The documents are: The State University of Iowa Faculty Handbook
Manual of Rules and Regulations of the Graduate College
Manual of Procedure of the College of Liberal Arts.

In connection with this last document named, Dean Stuit of the College of Liberal Arts wants to make clear that it is not an official document approved as definitive by the Board of Regents. It is rather an adjustable set of working rules formulated as a sort of modus vivendi. Professor de Chasca asks me to tell you that he is sorry that at the present time he is not in a position to summarize all pertinent material in Spanish for the benefit of your colleagues.

Sincerely yours,

Dorothy Custer
Secretary
