

September 11, 1957

Dear Professor Goding:

On behalf of Dr. José A. Balseiro, who is actually in Miami, I should like to thank you for sending the material on the organization of the University of Massachusetts.

At the request of Dr. Balseiro, I have given the material to his friends here who are desirous of learning about the organization and practices of state universities in the mainland.

Sincerely yours,

(Miss) PAQUITA VIVO

Dr. Stowell C. Goding
Head, Department of Romance Languages
The University of Massachusetts
Amherst, Massachusetts
