UNITED STATES SENATE

Committee on Foreign Relations

February 20, 1958

Mr. Arturo Morales Carrión
Box 3271
San Juan, Puerto Rico

Dear Arturo:

It was a great pleasure to speak with you on the phone yesterday. Too many months and years have gone by since my pleasant stay in Puerto Rico.

This note is by way of advising you that Senator Green's letter to the Governor has gone out today. I want to thank you for your prompt action in the matter. It seems to me that we should have an excellent hearing on Latin American relations.

I hope that you will be coming to Washington at the time of the hearing so that we may have an opportunity to renew our friendship.

Sincerely yours,

(sgd.) Frank

Dear Frank:

I have received today the press release you were kind enough to send me, as well as your letter.

It is good to renew our friendship under such auspicious circumstances. I shall be accompanying the Governor in his trip to Washington and hope we may have an opportunity to get together again. Our programs are now in full gear and we are looking forward to a dynamic expansion in the years ahead.

Best personal regards from,

ARTURO MORALES CARRION
