Palmer Bogd
camp 8/9/52

Dear Dr. Palmer:

I am sorry for your accident and because I could not say good-bye to you. It is impossible to me to write how I feel about Poly and about all of you. You may be sure that I am going to miss very much all this and that I would not forget a single day I spent at Poly.

I wish you a pleasant trip and Mrs. Palmer that nothing serious would happen to her mother. Regards to Cynthia.

Thanks for all your kindness with me while I was a student and assistant.

If I can help in something you wish to do before leaving don't hesitate to ask me.

Please let ^{me} know about ^{you} Mrs. Palmer during my absence.

ANA T. SANABRIA
