DEAR DR. PALMER:

HOW IS EVERYTHING IN MY DEAR
POLY? HOW IS THAT CAT ANATOMY
IN THE SUMMER?

LAST WEEK I WENT TO VISIT
THE ACQUARIUM WHERE I SAW A GREAT
VARIETY OF FISHES AND OTHER AQUATIC
ANIMALS. I SAW TWO VARIETIES OF
SHARKS WHICH MADE ME TO REMIND
THOSE DAYS IN THE ANATOMY LAB.
I ALSO WENT TO VISIT THE ZOO
WHERE I SAW SOME OF THE ANIMALS
THAT WE STUDIED IN GENERAL
ZOOLOGY.

SINCE JUNE 8th I HAVE ^{BEEN} IN THE
CLINICAL PRACTICE. ONE OF THE

PLACE TO WHICH I HAVE BEEN ASIGNED IS A NAVAL HOSPITAL IN A SMALL TOWN CALLED COATSVILLE . HERE I WILL WORK WITH NEUROPSYCHIATRIC PATIENTS. SO FAR THESE ARE THE TYPE OF PATIENTS WITH WHOM I DO NOT LIKE ^{TO} WORK . THEY DON'T HAVE A FUNCTIONAL DISEASE AND STILL WE HAVE TO TREAT THEM KNOWING THAT WE COULD NOT ^{DO} MUCH FOR THEM.

I WOULD LIKE TO WORK IN A GENERAL HOSPITAL SINCE IN THIS WAY I MAY BE ABLE TO GET A GOOD EXPERIENCE -

NEXT MONTH I HAVE TO TAKE THE NATIONAL BOARD TEST. THIS TEST WILL COVER EVERYTHING AND THERE WILL BE 500 QUESTIONS. IT IS A PRE-REQUISITE FOR GRADUATION

MY SINCERE REGARDS TO MRS. PALMER,
CYNTHIA, AND ALL THE TRI-BETA MEMBERS.

DEAR DR. PALMER

SINCERELY YOURS,

Ann
