SENIOR CLASS 1954 - 55

December 28, 1954.

Dear Dr. and Mrs. Palmer:

In recognition of your invaluable work and love for the Polytechnic Institute, to which both of you have devoted the best of your lives, the Yearbook Staff has decided to dedicate you the 1955's issue of Colinas.

On account of this we need a picture of both of you about 7x5 inches. It should be in our hands before January 31 of 1955.

Thanking both of you in advance for the help that we will receive from you we wish you happiness and success during the coming year.

Sincerely yours,

Norman Maldonado
